MYANMAR NATURAL WHS TL

World Parks Congress, Sydney

November 2014

Jake Brunner, IUCN

Context

- Myanmar has some of most expansive and best quality natural habitats in Southeast Asia; policy to expand protected areas to 10%
- 8 sites on the WHS TL—all of them submitted for their cultural values
- 7 natural sites added to the TL in February 2014

Proposed TL for Natural WHS in Myanmar
