

SADC TFCA NETWORK

Created in 2013

Purpose of the SADC TFCA Network

- *To overcome TFCA challenges through shared learning, knowledge management and collaboration*
- Information exchange:
- Joint learning and knowledge management:
- Resource mobilisation
- Strengthening collaboration and relationships:

Themes for the SADC Network

- The SADC Member States identified the following themes as being the most relevant to TFCA development in the region:
- Governance
- Legal provision
- Policy harmonisation
- Cross border law enforcement
- Conservation management
- Tourism development
- Community involvement
- Benefit sharing
- Sustainable financing
- Research
- Monitoring and Evaluation

Organisational Structure

- Each SADC Member State shall nominate one official to the Steering Committee.
- Chairperson and two Deputy Chairpersons as per SADC Troika with the Chairperson changing yearly.
- Steering Committee can constitute other structures, such as peer groups, other communities of practise, or project task groups as required

Role of SADC Secretariat

- Ensuring that the activities of the SADC TFCA Network are aligned to SADC instruments
- Providing secretariat, facilitation and moderation services as required by the SADC TFCA Network and by being part of the Steering Committee

Becoming a Member of the SADC TFCA Network

- Any individual, organisation or institution with an **expressed interest** or **demonstrable experience** in TFCA development may
 - request or
 - be recommended by an existing member of the Network to join the SADC TFCA Network.
