

# Connectivity conservation in Asia

*Nakul Chettri and Pratikshya Kandel*

---

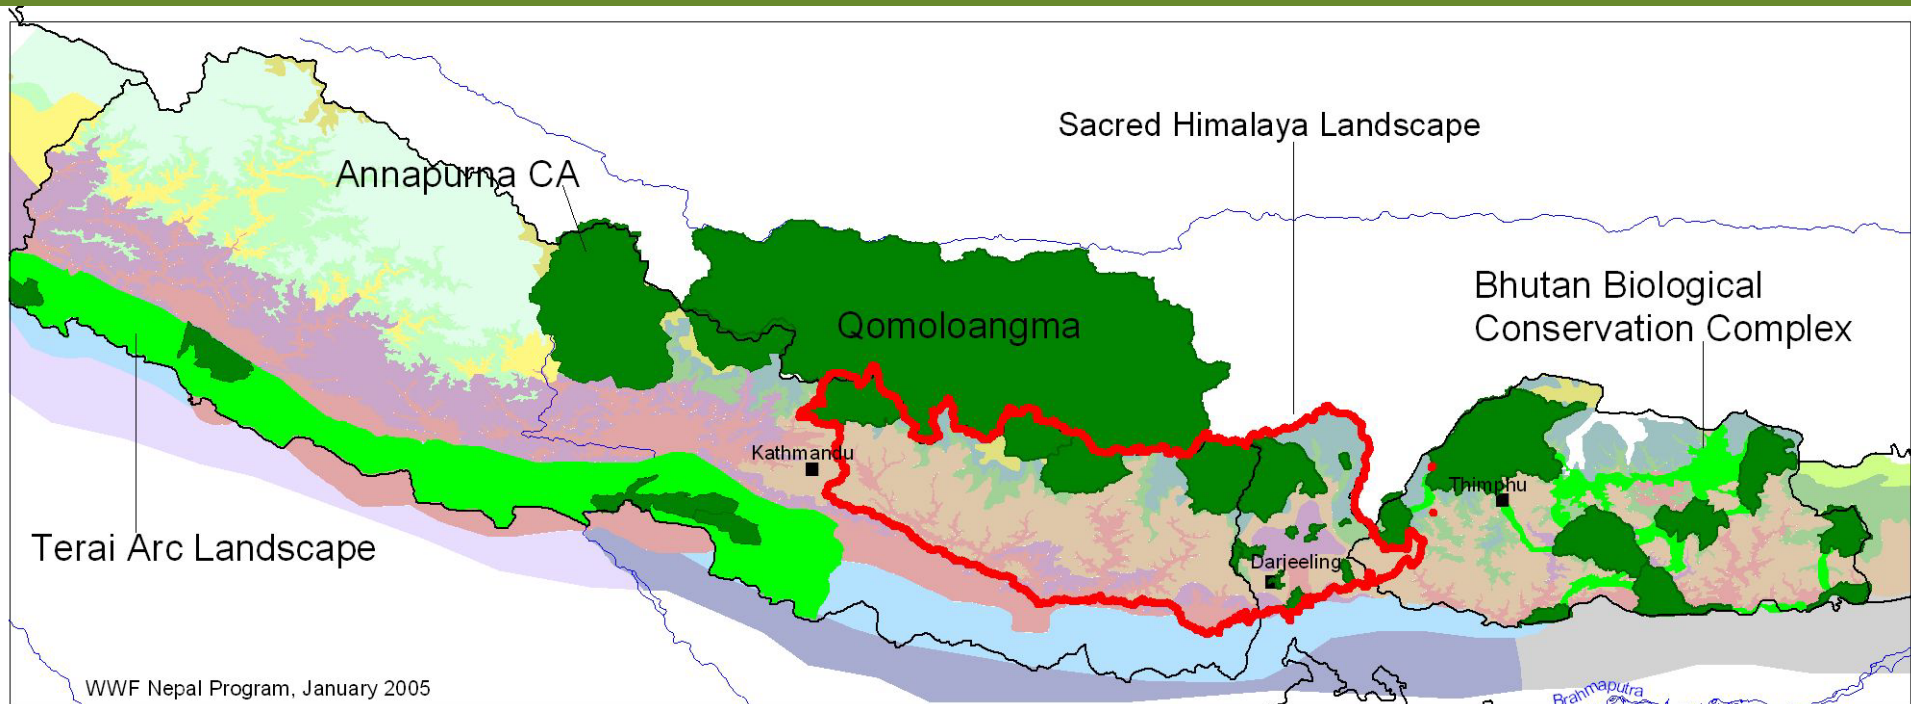

Side Event:

Connectivity Landscape Conservation on a large scale  
for an environmentally and socially resilient planet

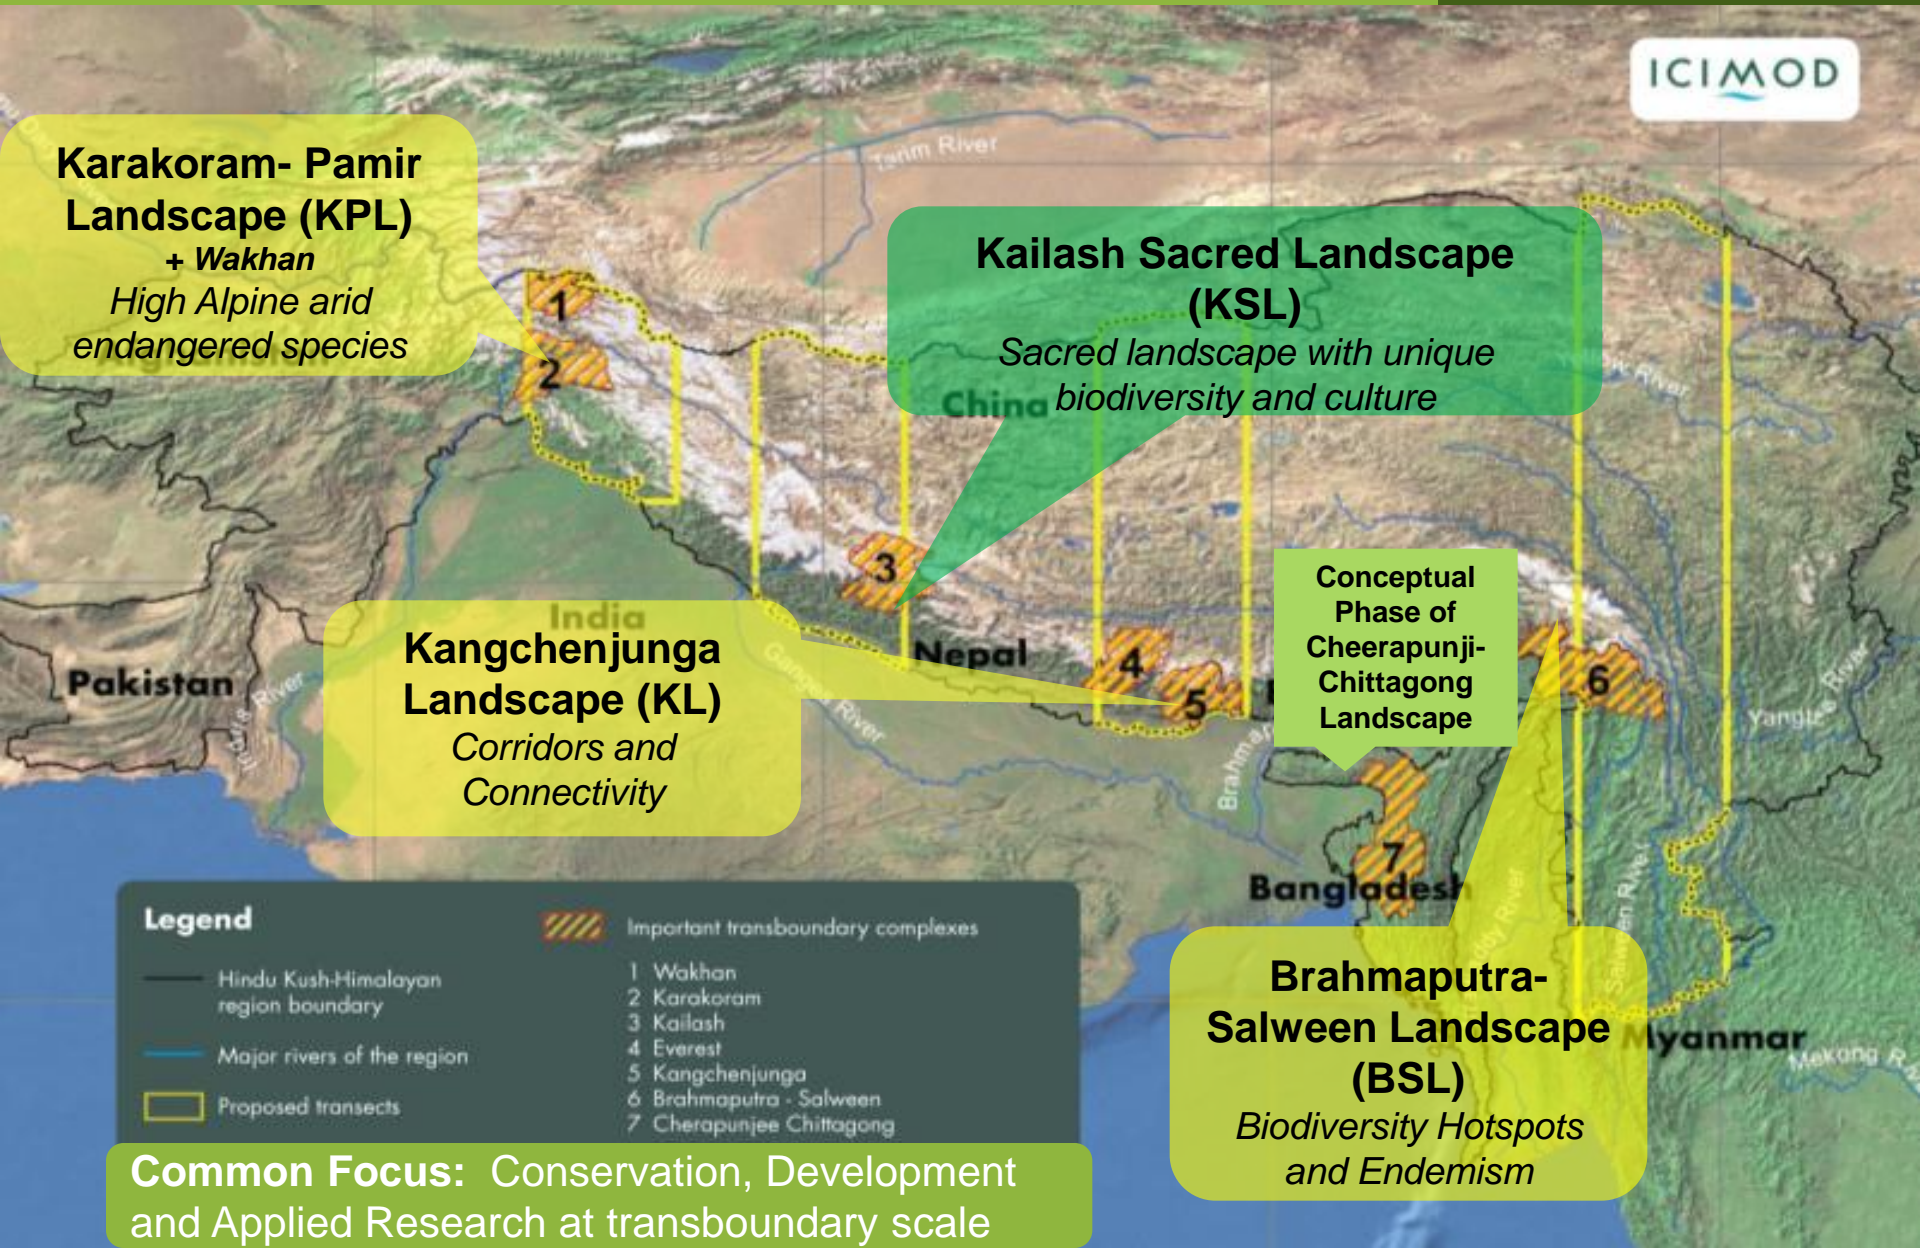

18 November 2014, Olympic Park, Sydney

# Transboundary Landscapes in the EH

ICIMOD

# Transboundary Landscapes in the HKH ICIMOD

# Other transboundary landscapes in Asia

- Connectivity of experts, tools and technologies
- Connectivity as climate proofing
- Scientific backstopping as neutral cooperation
- Formal process is inevitable to make it work on the ground
- Third party catalytical role required
- Sustainability needs to be ensured

# Thank you

ICIMOD
