

Singapore

City in a Garden

Optimising urban spaces for
greenery and recreation

Source: Statistics Singapore FY12 Report

Corporate Vision

To create the best living environment through excellent greenery and recreation, in partnership with the community

Mission

Let's make Singapore our Garden

Historical perspective

1960s- early 2000s

Greening of streetscapes

- From 440 trees in 1962 to 1.1m trees in 2005
- Safeguarding of roadside spaces for trees
- Greening of bridges, flyovers
- Flowering shrubs introduced in 1980s

Providing parks for communities

- Integration of parks into residential estates
- Basic amenities: playgrounds, shelters, benches, footpaths, lighting, toilets, etc

Historical perspective

Mid 2000s-2010

Lifestyle Programming

- Beyond mere infrastructure

Enhancing Green Infrastructure

- Park Connector Network
- State-of-the-art parks, e.g., Southern Ridges, Bishan-AMK Park

Natural Heritage Conservation

- Conservation of biodiversity within the city and Singapore's coastal and marine ecosystems

From Garden City to City in a Garden

Pervasive greenery
Rich biodiversity
Community ownership

6 Strategic Thrusts

Establish world-class gardens

Rejuvenate urban parks and enliven our streetscape

Optimise urban spaces for greenery and recreation

Enrich biodiversity in our urban environment

Enhance competencies of our landscape and horticulture industry

Engage and inspire communities to co-create a greener Singapore
