des solutions sources d'inspiration*

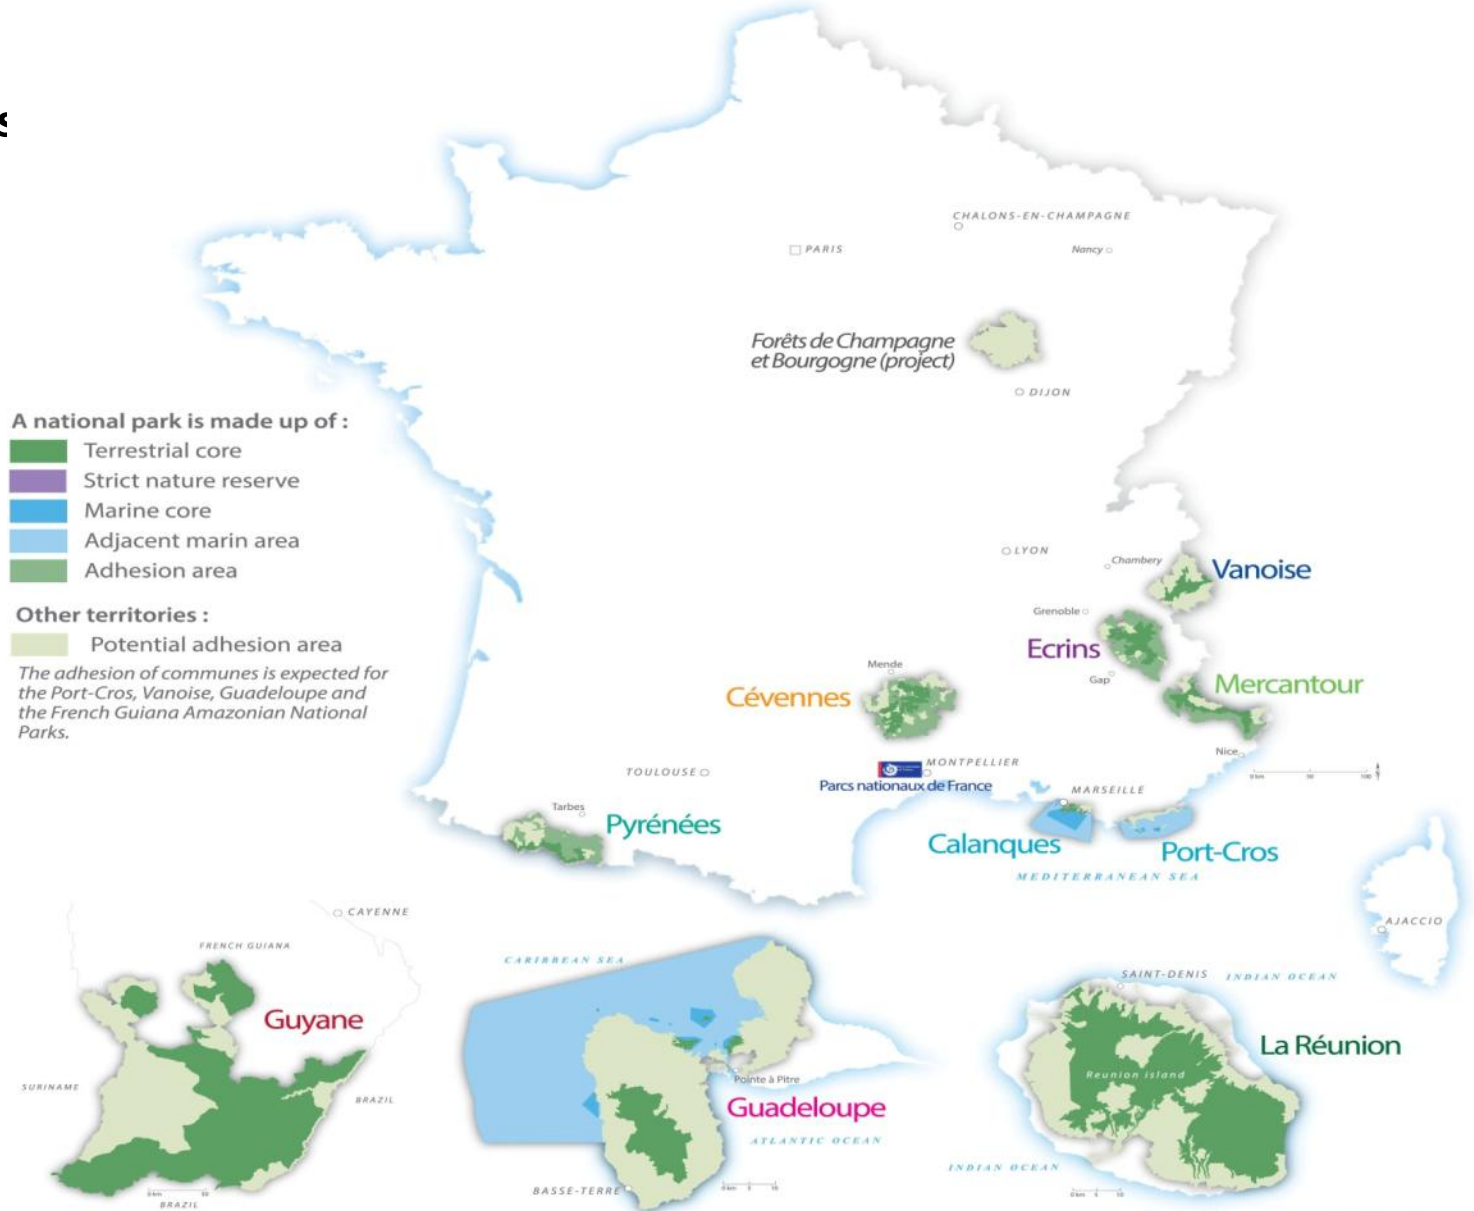

The governance of protected areas in France

Ferdy Louisy, President, Parcs Nationaux de France

Philippe Ospital, Deputy Director, Pyrénées National Park

Governance of French Parks

National parks

Governance of French Parks

Park governance BEFORE 2006

- Administrative board composed mostly of administrative staff
- In charge of protection and research activities in the heart of the park

Governance of French Parks

AFTER 2006

● National parks

- Administrative board composed mostly of councillors and local representatives, chaired by a local councillor
- In charge of protecting the heart of the park
- Implementation of a charter developed with local residents and councillors
- Implementation of development projects in coordination with local authorities
