- ✓ Natural Resources Management
- ✓ Governance
- ✓ Business, Enterprises, & Livelihoods

# The 'cause-effect' relationships

# What have we learned?

- *Start your farming with people, not with cattle* (Himba proverb)
- *He who climbs a good tree always gets a push* (proverb from Zambezi Region)
- Responsibility and 'sense of ownership' before legal ownership and benefits
- Gradual increase in devolution
