Workshop 3.3 : “Effective and equitable governance of the seascape”

17th Nov. 2014; 8.30 - 12:15 m

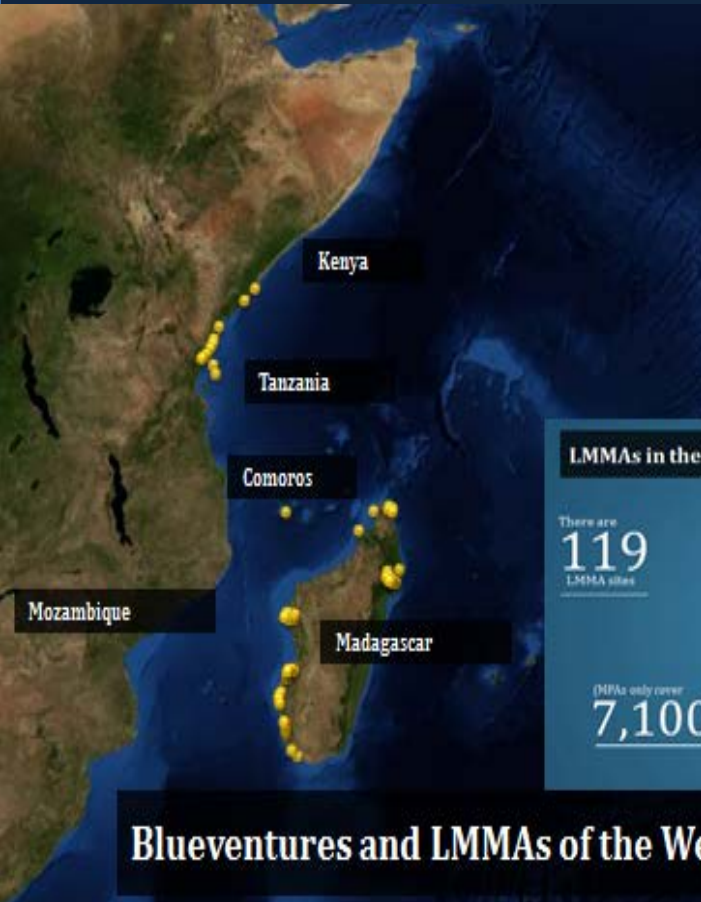

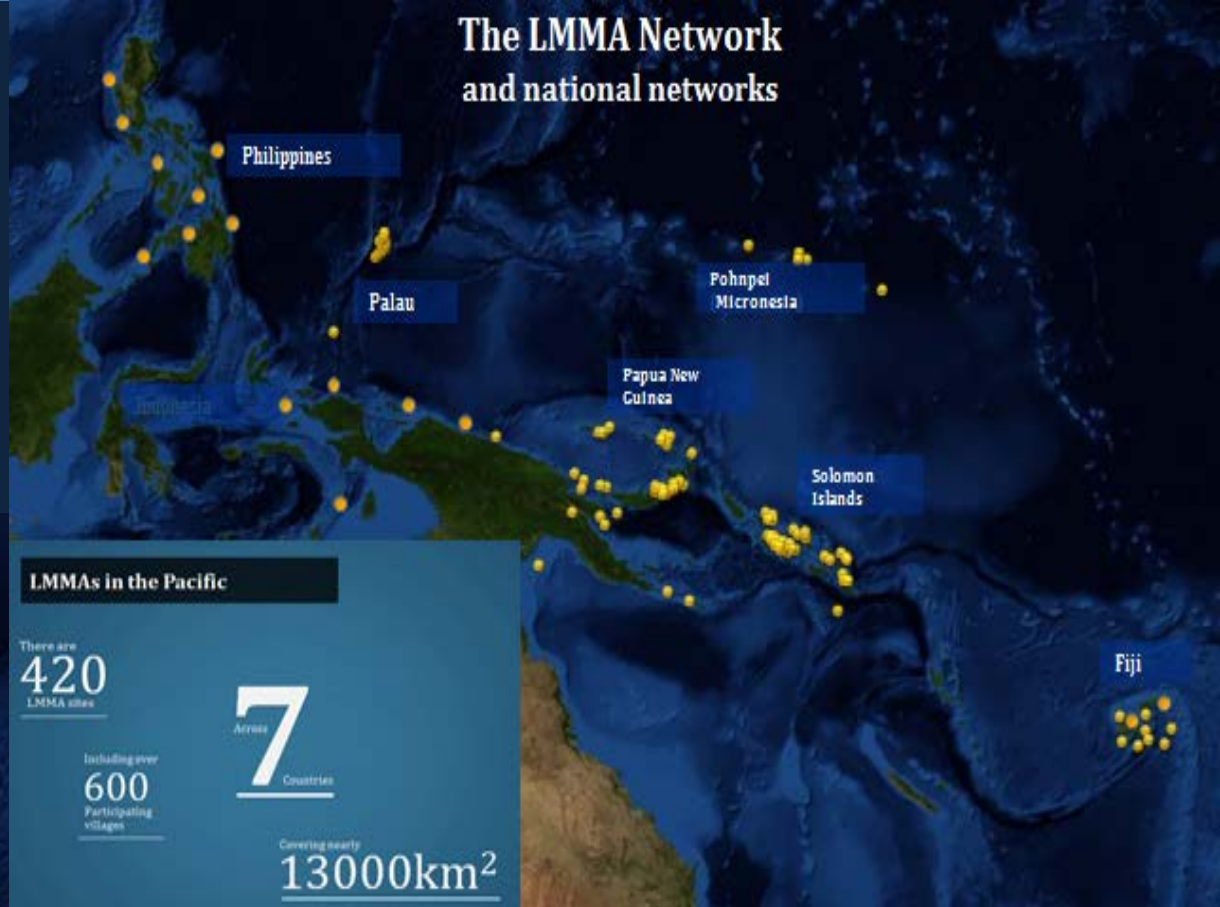

Achieving national scale resource management through scaling up local management (Fiji and Solomon Islands)

Hugh Govan

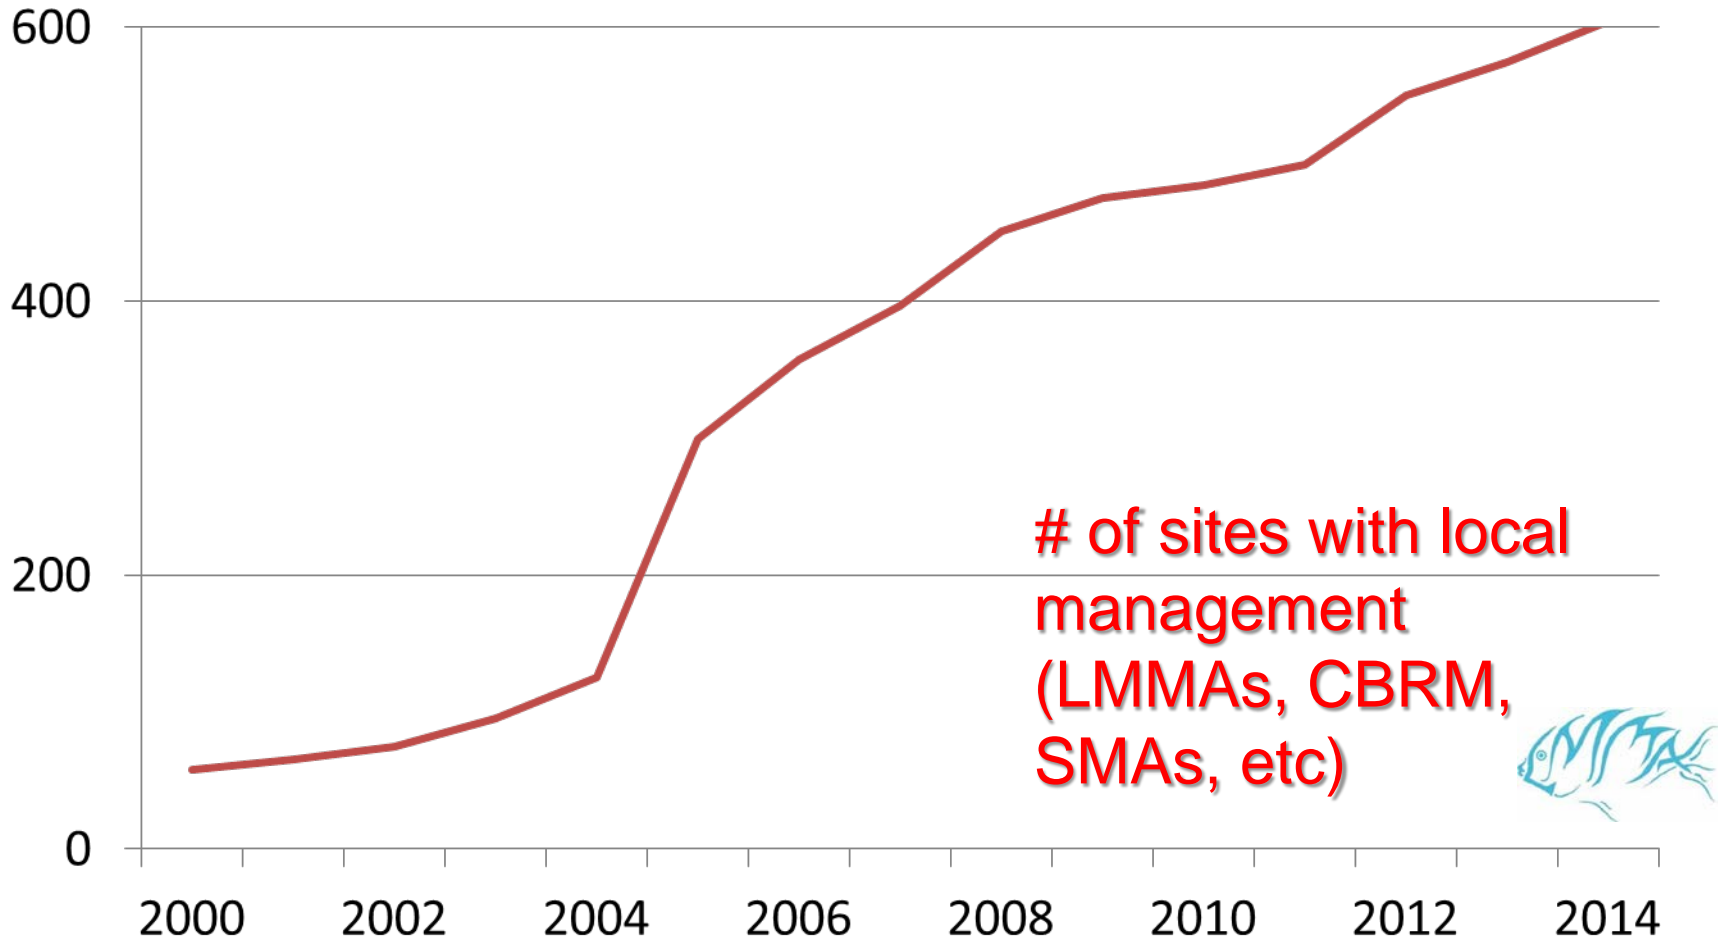

The LMMA Network and national networks

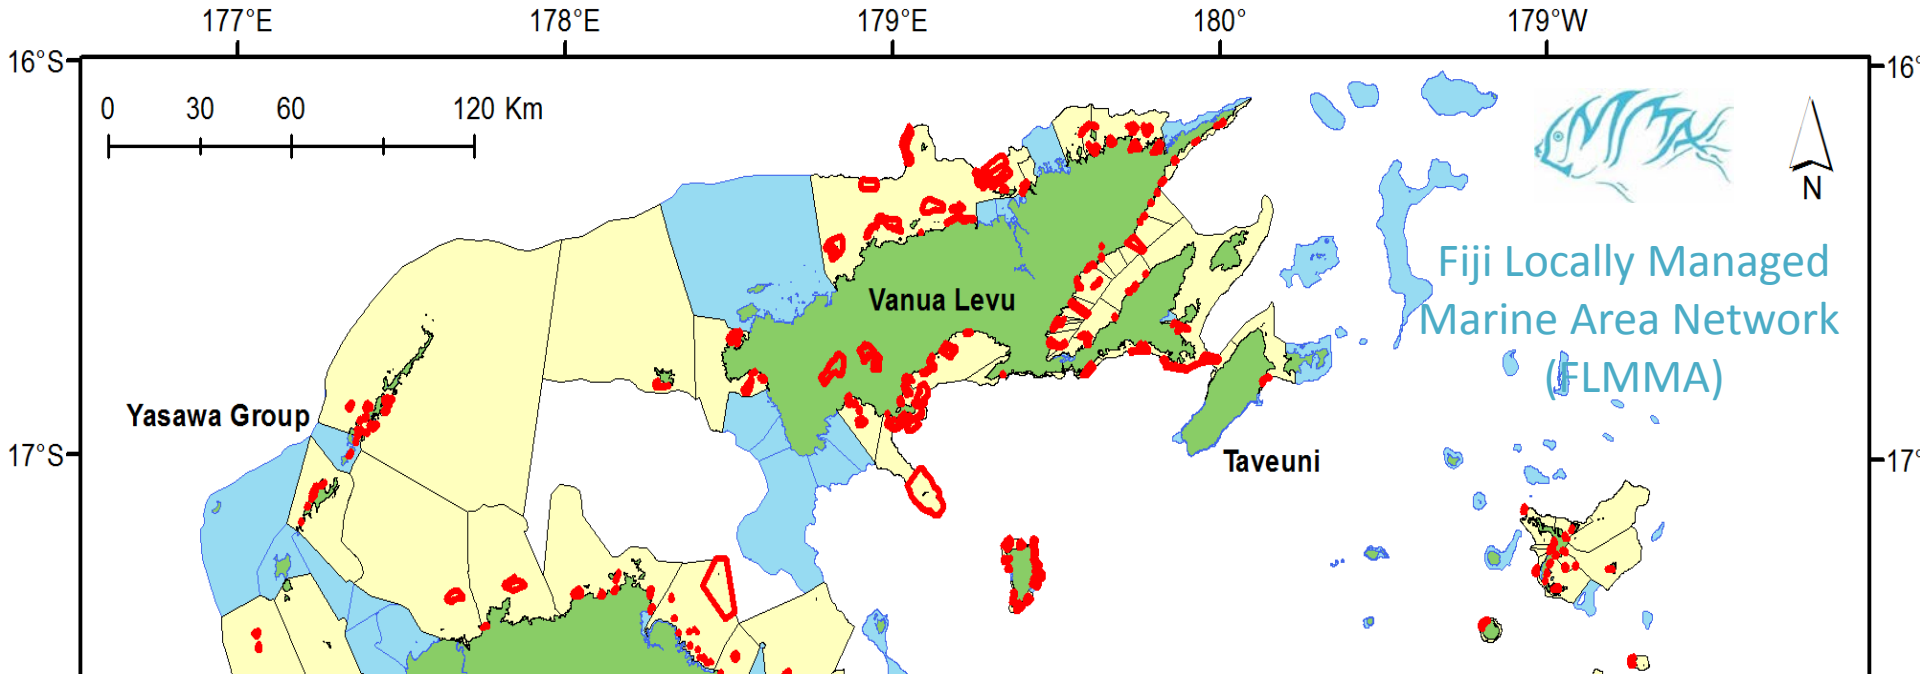

Blueventures and LMMAs of the Western Indian Ocean

blue ventures
discovery through research

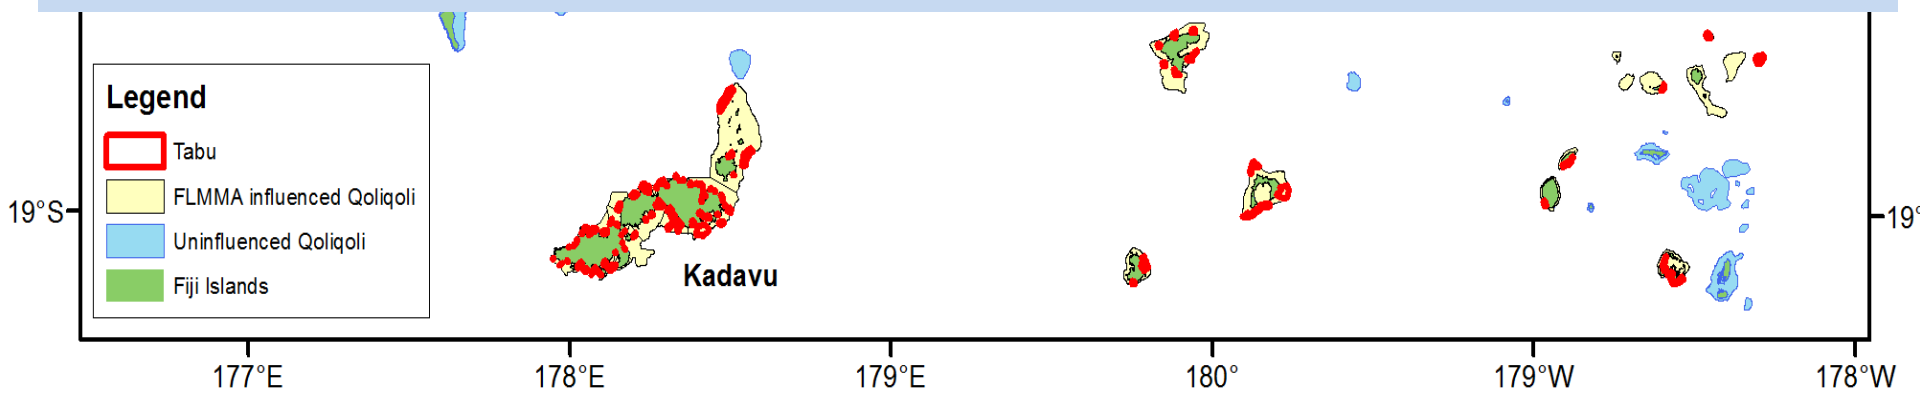

Rapid growth of local management

Fiji:

Achieving seascape management and more
- building on local management

Looks good.....?

**# of Locally
Managed Marine
Areas (LMMAs)**

But... a long long way to go

Solomon Islands

Coastal CBRM sites 2010

Solomon Islands

Coastal CBRM sites 2010
But 1000s of villages to go!

Key discussion points

- **A “local management driven” approach can be scaled up to manage seascapes and even countries while also producing MPAs**
- **But an “MPA driven” approach may not even reach the 10% Aichi target or achieve other objectives**
