

Local to Global Leaders Dialogue

8:30-10:00am

Local to Global

- What do we need to do to foster better relationships between communities and national/international agencies?
- What are the major gaps/barriers that we need to address?
- How to we ensure rights are respected and protected in our work?

Local to Global

- How do we collectively address funding issues?
- What can agencies learn from indigenous peoples and communities experiences?
- How can we bring together the science and traditional knowledge interface more effectively?
