

Strategies for Success: Kelly /Daniel/Phyll

- Brainstorm what has worked and why
- Discuss potential partners for programs (broad groups)
- Critical concepts that “ought to be” included in programs to inspire generations

Communication Tools: Rhonda/Wenyang/Tara

- What is currently utilized and effective?
- How can tools be maximized?
- Is there ample access for these tools to be maximized?

Utilizing Metrics and Measurements to Gauge Success: Anna / Hannah / Jim

- What metrics are currently available?
- What metrics should be developed?
- How do we get these metrics used more broadly?

Engaging technology and strategies that “speak” to the next generation:

Angus / Joanne /Matt

- What is needed to “speak” to the next generation?
- What technology is effective currently?
- What is needed to achieve engagement?
